# GENERAL SERVICES

## General Practitioners

South Steyne Medical Centre has a wide range of General Practitioners with various interests, such as mental health, chronic disease management and women's health. General Practitioners at SSMC welcome walk-in patients. Walk in patients are seen by the next available General Practitioner. Long consultations are also available - please advise Reception if you require a longer consultation.

## After Hours Service

**If it is an emergency dial 000 immediately.** If you require medical attention outside our opening hours, please call Reception on (02) 7209 2920. You will be directed to our medical deputising service and a doctor will come out to visit you. This service is bulk billed for Medicare card holders.
